PLANNING AND DEVELOPMENT -- Second five year plan- Preparation of District and village plans- South Kanara district- special staff sanctioned- Extension of sanction- Report.

Ref: 1.G.O.Ms. No.525 Public (P & D) Dept dated 30.1.56.
2.G.O.Ms. No.547 Public (P & D) Dept. dated 13.2.56.
3.G.O.Ms.No.1123 Public (P&D) dept. dated 21.3.56.

In their orders cited the Government have sanctioned the following staff for attending to the work connected with the preparation of village and Dt.plans in this district.

One Special Tahsildar

Two Deputy Tahsildars

Twelve Revenue Inspectors

One Upper Division clerk

One Lower Division clerk

Four peons.

K The post of the Upper Division clerk was filled up in the first instance to do the spade work and the rest of the special staff was subsequently appointed. The T.D.C joined duty on 6.3.56 the special Dy.Tahsildars and the special Revenue Inspectors in the 3rd week of March, and the Special Tahsildar and the Lower Division clerk in the 2nd week of April 56. 2. The special staff have formed village Development committees where they were not formed already and have instructed them to formulate village plans. The village plans have also been obtained in respect of the majority of the Planning units. They are busy scrutinising the plans already received and the getting the plans from the remaining village Dev. Committees. It will take some time for consolidating the village plans and for getting them approved by the Taluk Planning Committees, Block Advisory Committees or Project Advisory committees. The Area Plans are expected to be received in my office only in the third week of June 56. The work of consolidating them into the Dt. plan and getting them approved by the Dt.Planning

oard will take another month and a half and it is quite essential that the clerical staff should be continued till the District Plan is finally prepared. There is a lot of correspondence work also in connection with the Plans evolved at Dt.level and state level apart from the work of consolidation of the Village plans, and the plans of Major Panchayat and Municipalities etc. I therefore request that the Government may be pleased to accord sanction for the continuance of the post of the Upper Division clerk sanctioned in the G.O 1st cited till the end of July 1956.

2. It may also be necessary to retain a skeleton staff on the executive side after the period of present sanction for holding further enquiries or investigation ~~restings~~ relating to the plans before their inclusion in the District Plan. I will be submitting separate proposals in the matter later.

Yours faithfully,

19-5-56
